NOTE FOR: DDA

SUBJECT: Agency Imprest Fund Review

Jack:

I have read Jim McDonald's memorandum of 12 November on this subject and am satisfied that imprest funds are necessary, contribute to our efficiency, and that the monthly audits currently conducted provide sufficient accountability. I agree with the recommendations Jim has made but ask that you also begin semi-annual reporting to me on the creation, administration and termination of these funds.

Please note Mr. Knoche's brief comment suggesting that he would like semi-annual reporting on the creation, administration and termination of Imprest Funds.

Would you please have someone get in touch with the Office of Finance and come up with some agreeable format for making this report. Mike would be interested in seeing what you come up with. (It should be simple)
